

Notice of Recreation Board Open Position

The Strafford Recreation Board thanks Hilary Linehan for her decades of service to our town as a member, and as its chair. Strafford has benefited greatly from Hilary's leadership, passion, and vision for a healthy and connected community. Hilary worked tirelessly to provide recreational opportunities to all, and was instrumental in the construction of the Strafford tennis courts, a central feature of our recreation facilities. We are incredibly grateful to Hilary for her service to the town.

The Board seeks a new member for a three-year term. Board members work collaboratively to manage town recreation facilities, and to initiate new recreation opportunities in Strafford. The Board meets on the second Monday of each month at 6:30pm on Murray Field in warm weather and at Barrett Hall during winter. We invite community members to submit letters of interest regarding the open position to recreation@straffordvt.org. The successful applicant will begin their term upon appointment in March 2026.

Mission Statement:

The Strafford Recreation Board believes that recreation is essential to a healthy mind and body and that recreation enriches our community and our connection to one another. The mission of the Strafford Recreation Board is to provide well-maintained town recreation facilities and to encourage outdoor recreation for all ages.
