

TOWN HOUSE ADVISORY GROUP
MINUTES
August 30, 2018

In attendance: Rockwell Fuller, Chair, Curt Albee, Vice Chair, Martha Manheim, Paul Kifner, Silas Treadway, Steve Handy

1. The restoration of the Town House spire has begun. Materials for the scaffolding necessary to remove the lantern and spire will be hoisted up Friday with a boom truck. Removal of the spire is slated for mid month.
2. The presentation of the drone video by Mark Shaw was postponed until our next meeting. Mark was out of town.
3. Paul Kifner reviewed the season's events to date, which he felt have gone well. The Pillsbury Slowboys, of which Paul is a part will play this coming Tuesday on the Common. Lydia Grey will follow in a week at the Town House
4. The joinery on the cow shed project is almost finished, a day or two left, then the frame will be loaded onto a trailer and transported to the building site at JTop Farm. No date for the raising as yet.
5. The Timber framers Guild will again meet in Strafford in two weeks time. The Town House will be made available for their use.
6. Repairs to the window stops for the gallery windows have been a bit slow to materialize. Reuben is no doubt extremely busy. Rocky will speak to him and find out more about his schedule.
7. The next meeting is September 27 at 7 PM at Martha Manheim's
