

Strafford Recycling Committee Meeting

August 1, 2017, 4:30 PM

Recycling Center

Present: Michael Scanlan, David Harris, Scott Moore

Absent: Vince Robinson

1. The minutes of April 19, 2017 were approved as written.
2. Michael explained that we are still awaiting word on the availability of the bins for food scrap collection. They were supposed to be delivered to Bob Sandberg in Corinth on 7/31, but no information has come on that. When they are available Michael will pick them up in Corinth and we will begin experimental food scrap collection.
3. Arrangements for large trash day on Sept. 9 were discussed. It was agreed to experimentally collect empty propane tanks (for a fee) and take them to Hartford for proper disposal.
4. Adjustments were made to the Aug.-Nov. volunteer schedule to accommodate volunteer's schedules. Scott will send the revised schedule out to volunteers.
5. Michael distributed a spreadsheet listing recycling expenditures to date. So far the Center is operating under budget for the year.
6. Scott described plans for restarting the Strafford Stompers in September. Scott and Heather will do organizing on that. It is hoped that there will be more regular parent involvement.

The meeting adjourned at 5:15 PM

Respectfully submitted,

Michael Scanlan, Chair
