

## Conservation Commission Vacancy

We have an opening on our 9 person board. We meet once a month, the 4th Tuesday of the month, 7pm at the Town office. Our mission is to protect our wild places and to get people outside to enjoy them, with minimal impact on plants and animals. We help maintain Strafford's hiking trail system and our Town forests. If you are interested and are willing to help lead a hike or guide an educational activity, and can attend many of our meetings, please submit a letter of interest to the selectboard and the Conservation Commission. Please include information about who you are and why you would like to serve. Thanks.

BTW, we have a lot of fun too.
