

Minutes of the Strafford Selectboard Special Meeting  
July 12, 2017

Members of the public body present: Toni Pippy, Stephen Marx, Brian Johnson, Kate Siepmann, John Freitag

Other participants: John Echeverria, from the Planning Commission.

Meeting called to order at 4:00 p.m. in the Morrill Education Center, while floor work was being done in the Town Office.

The warned agenda was for a special, intensive work session by the Select Board on the Draft Town Plan, submitted by the Planning Commission to the Board in May, 2017.

The two-hour meeting was spent entirely on a page-by-page consolidation of members' edits, augmented by corrections by a volunteer professional copy editor. The changes consisted of the insertion of proper punctuation, grammar, errors of fact, and inconsistencies or contradictions in the Draft Plan. No substantive changes were made to the content or intent of the Draft Plan.

In deference to the hour of the regular warned meeting, the work session adjourned at 5:59.
