

TOWN OF STRAFFORD

BOARD OF SELECTMEN

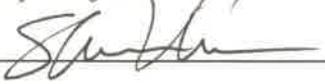

GUIDELINES FOR SELECTBOARD CONDUCT

As a member of the Town of Strafford Selectboard, I will strive to:

- Act fairly, objectively and in the public interest in all matters that come before the board.
- Treat my fellow board members with kindness and dignity, even when we disagree.
- Manage my conflicts of interest so as to preserve public confidence in the board's decisions and actions.
- Remember that the authority of the selectboard is vested in the board and not in its individual members.
- Respect the independence of other elected town officers and work cooperatively with them in the best interest of the town.
- Encourage public participation and transparency in our town government.
- Remember my behavior as an individual impacts the reputation of the selectboard as well as the community we serve.
- Uphold my oath to faithfully execute my office to the best of my judgment and abilities, according to the law.
