Call to order at 7:08PM.

1. Minutes from May accepted as written.
2. Changes to the new Regional Plan were noted by Steve Willbanks. Hearing dates for review are July 7 & 8. Questions can be addressed to Steve or John Echeverria.

The designation for the two villages has been changed from hamlet to village settlements.

2. The map of the Elizabeth Mine area, to be included in the Unified Bylaw, has not been completed by the EPA. A note to that effect should be appended.

Respectfully submitted,

Martha M. Walke, Secretary
