

Special Select Board meeting  
June 6, 2019 at the Town Office

Members of the board present: Toni Pippy (chair), Brian Johnson, Patrik (yes, without a 'c')  
Kelly, Kate Siepmann  
Also present: Jon MacKinnon (Road Foreman)

The agenda consisted of 2 items: filling the open position on the Road Crew, and discussing the bid process for the FEMA infrastructure projects this summer.

Toni called the meeting to order at 6:02, failing to acknowledge the fact that for the first time in 28 months Kate was the first to arrive and opened the office, turning on the lights and preparing the meeting room for action.

The Board reviewed 3 applications for a position on the Town Road Crew. Brian and Jon will interview 2 candidates and present their findings at an executive session at 5:30 prior to the next regular meeting at 6:00 on June 12. Patrik will follow up on references and report back to the Board before that date.

As noted in previous Minutes, there are 6 FEMA sites in Town scheduled for repair. Kate made a motion, seconded by Patrik, to request Lisa to put out for bids for one contractor to cover all 6 venues. The motion passed unanimously.

The meeting was adjourned at 7:11 p.m.

Irreverently submitted,

KS, as sorry substitute for our remarkable regular recording clerk, the redoubtable Lauri Berkenkamp
